Section C
Medical Laser Safety Officer

The course material is to prepare those who will be implementing a laser safety program as the appointed Medical Laser Safety Officer. Students are required to enroll in a one-day “exam review” 30 days prior to the BLS exam. This is to ensure that students are prepared and have mastered the material for the exam. For Board Certification, please see the Board of Laser Safety requirements to sit for the BLS Board Exam and Certification www.lasersafety.org/become-certified/eligibility.

MLSO Assessment (Part IX)

- 1) The Laser Safety Review/Assessment will help prepare you for the role of the MLSO as well as prepare you for the BLS Board Exam. Did you complete the Laser Safety/MLSO Assessment? _____ YES _____ NO
- 2) Do you authorize the International Academy of Cosmetic Laser Surgery to post your name on our website as a graduate of our Laser Safety/MLSO program? _____ YES _____ NO www.cosmeticlaseracademy.com
- 3) After one year experience interning as a MLSO, is it your intent to become Board Certified as a Medical Laser Safety Officer with the Board of Laser Safety? _____ YES _____ NO

Please email completed Registration form to training@cosmeticlaseracademy.com. Credit and Certificate will not be issued until the Registration Form has been received. Certificate will be emailed within 2-6 weeks after receipt of completed Registration Form. For registration or inquiries, please contact us through email at training@cosmeticlaseracademy.com.
